“ *Matt was an angel on Earth, now he's at home. He'll be watching over us all the time making sure that whenever we do something silly he'll be right there to put one of his lines in our heads. It will be hard to live with the emptiness we now feel. But perhaps in time we can celebrate his life, celebrate what he has done for us and smile once again. I'll miss ya guy.*

“ *P.S. Right now you are probably wrestling with God, and running free for the first time in your short life, but our brains cannot yet comprehend the bigger picture we cannot see. But we are happy you are now in the arms of God!*

“ *God created you, he loved you, and had a special purpose for you in mind. We, who are grieving for you down here, will not understand this side of heaven why you had to go so soon, or why there is such a hole in our hearts now that you are gone. See you soon.*

“ Matt,
We will always miss you! Thoughts of you will forever be in our hearts. You always made us smile with your one liners and quick wit. I know you are in a much better place than before, just remember that you brought love and happiness to all of us and made our time here with you so special. Thanks for being one of our special angels.
