“ All of us send our deepest sympathy to all of you. Your Mom was truly a good person inside and out. I am so sorry that I was not in touch with her. Even though time and paths took different directions, I will always have wonderful thoughts of all of us and our get togethers. She was a remarkable woman who will remain in our hearts forever. She is now your angel looking down upon you. I pray you will all find peace and comfort in knowing that she is in a beautiful place.
