“*Maureen was my bookkeeper for almost a decade. She was always upbeat and in great spirits and it was a pleasure to talk to her. I admired how active she was with the cycling and always taking her dog Lindsay on walks. It was a blessing to have known her. She will be missed.*”

“*Maureen was a dear friend to me. Always up for an adventure, a bike ride, or a weekend get-away. We shared lots of laughs together. She was quick to offer help when I needed it, from spending the night with me after surgery to offering rides when I had cataract surgery. I will miss our texts and phone calls, we always had things to chat about.*”

“*Maureen, Sharon, MaryJo and Barb were my grade school friends from 103 104 108 streets. We would hang out at Nates drug store. We had the best times. Infact Maureen would come and visit Bob and I in Naples and the get togethers in Put in Bay with Alice and Sharon. Maureen had so much energy that I was jealous of. God rest her soul . I will truly miss seeing her on Facebook in her many adventures. Terry and Bob*”

What a great time you all had. Exactly like Happy Days. It's always amazed me that most of you have spent a lifetime in touch with each other.

*The McKenna's lived behind us. Maureen and my sister grew up together.
They remained friends for life.
At one time they worked together and owned a small business together... Alcott Enterprise.
Named after the kindergarten they attended.
Later on in life it was parties at Put-in-Bay, dinners and lunches with the neighborhood gang.
Last but far from least... Maureen went out of her way to bring us Date and Nut cake because it reminded us of our youth.
I loved her competitive sprit, her zest for life, her loyalty to her family and friends. We love you Moe. You will be missed.*
