“ To Maxine's family & grandchildren,

Our thoughts & prayers for your loss & to celebrate a wonderful, loving woman's life. We met at American Legion & she often sat with Mrs. Stokes at LCR & other post events with Leigh & Jim. She was such a great example of a Life with a Purpose & her faith was quite evident. Her & Leigh have front row seats to all the Cleveland sports teams the two of them enjoyed.

May she rest in peace for the rough 2 years of losing Leigh & then her own health issues. A 'good & faithful servant' is finally at rest & will be dearly missed. She was an awesome example of hope, grace & faith...the Hutchisons were obviously a great people to be around, hearing the stories & sharing @ Leigh's funeral. She leaves a full legacy to her children & grandchildren to live up to!

“ We lived across the street from your family on 327th St. in Willowick. I remember Maxine being so helpful to our family when our Grandma died at home. She immediately came over to check on my family. Her tenderness and compassion was never forgotten. Mrs. Hutchison was a lovely woman who will be remembered and missed. Prayers for the family at this sad time.

“ Extremely sorry for the loss of your beloved Maxine. I used to work at Lake West with her and she taught me how to be a night shift nursing supervisor. She was the most calm empathetic and organized person I ever met.

“ My memory of Maxine is when I was dating my husband, Jim. Jim's mother, Audine and Maxine's mother, Bea were sisters. Aunt Bea and mom Audine Baughman would gather at Aunt Bea's house and make pulled taffy. My sister in law now married Jim's brother Ron and they were there too. Here is Faye and me 5' tall in the land of the Giants Baughman's and Finches. lol

They were wonderful to us little shorties. We also went to Aunt Bea's, Maxine's mother to do ceramics. We all went to United Brethren Church on Atlantic Ave. Fun fun times for many holidays. The best one was when we all went to the farm for Thanksgiving. Maxine, Chuck, Carol, Twilia, Jim, Ron, Connie, Diane and many others went sled riding on the farm. Good food, good family, and good memories we all made.

Jim and I will miss her deeply. She lite up a room and her love of Christ she spread among all of us. So sorry for your loss. Our love and prayers are with you.

My memories of Maxine go way back. We knew each other because we both lived in Willowick most of our lives and not only that we both worked at Lake County Memorial Hospital, and later change to Lake West together. Maxine was an idol nurse everybody knew Maxine when you saw Maxine. It was like we knew everything was gonna be an under control without any problems because she took control, and made sure everybody was all set. I had the opportunity of working with Maxine in the nursing office for many many years and then after both our retirements her and I had spent many days together just getting together for lunches going to the park with my little Milo (shihtzu) and Maxine loved Milo. enjoying our long conversations and watching some of the beautiful sunsets over there at the Willowick Park. Maxine was my true friend who I knew that I could fight him and knew it was between her and I I will miss Maxine, but I know that Maxine is resting in the arms of our Lord and Savior Jesus. When Maxine arrived and our Lord arms, I know he said to her "well done my good and faithful servant". You are loved Maxine and will be forever missed.
