“ Grandma Maxin touched my life and showed me a lot of love. Whenever I spent time with her she made me laugh and I could always feel her love. She spent sometime with us when I was in 7th grade. Her first day in Florida we all went to the grocery store. She took the buggy away from my mom, and me, her and my sister went off and did our own shopping... We got ice cream, chips, and a lot more junk food than we needed.. When my mom found us she said "Cookie said not to let you have all of this.." and Grandma Maxin said, "Dont tell her..." Things like that stand out.. She was funny and sweet and wonderful. It has been over 10 years since I have seen her.. yet some people leave footprints in your heart forever.. She left footprints in my heart. AJ, Aunt Cookie, Aunt Jo-Jo, Jennifer, Allison, Ashley, Jamie, Jordon, and to the rest of the family I am very sorry. My prayers and thoughts are with you all.

“ My deepest sympathies to all for their lose.  
I lost my mom a long time ago, and for the past few years your mom filled that void, I finally had a mom and Venessa had a grandma. She made us feel like we were part of the family. We will miss her very much.
