“ I always remember Uncle Mike kidding around and just being goofy with all of us kids a "few" years ago. I am glad that I got to see him last year although it was for sad circumstances for both our families.

I admired him for his ability to regain his strength after a few health setbacks. My thoughts and prayers are with all of you, Stefanie

“ Your dad was a great man and a wonderful joker. I never will forget all the kindness that he and your mother showed to me. All My Love,
Toni Tonnie
