“ We wish to extend our deepest sympathy to Janet and the rest of Mike's family. We have a long history with Mike dating back to his high school years but have really gotten to know him as we became part of his family. There are no words that are ever adequate when a family loses a beloved member. Just know that when the circle of life is complete we pray that we will all be together again. When we look up at the rainbow that appears after a quiet summer rain we know that is the bridge to the ones we love. We will all meet again.
