“ We were so sorry and sad to hear about Mike. We spent quite a bit of time with him at the yacht club in his younger years. He was a super nice young man. We all had many good times. Our sympathy to the family and friends of Mike. May he rest in peace 🙏

“ Tammy and Kailey,
I am so sad to hear about Mike. I know I haven't seen you in a very long time, but I have the memories of the beginning of your love story Tammy. I was 14 or 15 years old hanging out with Tracy when you 2 lovebirds first met. I remember the crazy fun sleepovers at the apartment above Grandma Harriet. And then eventually to your home you shared in Perry. Those sleepover hangouts were even cooler with the bonfires in the backyard. I'll always remember Mike as a soft spoken, observant young man. Thank you for including me way back then. I know Mike loved the family he created with you. You two were so in love and happy. I'm praying for you both and thinking about the entire Billicky and Kocevar Family xo ❤️

“ I've known Mike since I was 5 years old. We grew up together all the way through high school. We went down different paths after high school. But all of my childhood memories were with Mike. To Tammy, Kailey, Lynn, Pam and other family, I'm so sorry for your loss. Mike will always be remembered.

I love you my brother! You will forever be in my heart ❤️. I will miss talking to you! I will miss you always telling people "that's my sister" 🤔
And of course your one word answers

Oh Mike, I don't even know where to begin... 27 years ago I met you, at that moment I knew you were the one. We had a wonderful life, and raised a beautiful daughter. We had our ups and downs as any couple does. Our family of 3 has been through so much and we made it through it all! Going to the funeral home and writing your obituary was one of the hardest things Kailey and I have ever done. I will miss seeing you, holding you and hearing your voice. You'll always hold a special place in my heart. I love you always and forever ❤️ RIP my love 😭
