“ As a "kid" in Local 270 and finding my way in a career, Mike was always caring and supportive and such a great encouragement and mentor. Mike always had a heart of gold and truly gave his Best to everyone. Mike was always so humble in all his dedication to improving the life of all those around him. Mike was always striving to make a positive difference and did so in so many positive ways! I will always be grateful for Mike's encouragement and support and dedication!
