“Mindy was bright light walking this earth. Full of laughter and most of all love for everyone. As her sponsor I'm not sure who taught who more. I learned as much from her as she learned from me. I loved her desperately and will miss her forever. ❤️ Live on in peace Mindy.

It's been 9 months and I still find myself thinking about calling her. Is that insane? I still miss my Mind so badly I talk to her all the time because I know that this loving person is in heaven looking down on all of us thinking don't mourn to much, I'm with my Savior and I'm supremely happy. So don't feel sad for me. I can actually hear her say those words to me. So to all of you please listen to these words, she's happily waiting for all of us to join her forever 💕 I love you Mindy forever 💕

Mindy, I will miss you so much! You had an infectious smile and always found positive things in everything. I loved when you were on our spiritual weekends and you were up for anything when I was on the entertainment committee and of course, music was involved and dancing. You had such a big  heart. My condolences to Michael and Tim and the rest of the O'Neill family Mindy I'm sure you're enjoying all your dogs right now!
