

Minerva Gressley

August 27, 1931 - August 20, 2025

Min "Minerva" Gressley, a beloved wife, mother, grandmother, great-grandmother and friend, passed away on August 20, 2025, just days shy of her 94th birthday. She was born on August 27, 1931, in Cleveland, Ohio, to the late Halim and Halla Houry.

Min was the cherished wife of Gene, with whom she shared 59 joyful years of marriage until his passing. She is survived by her devoted children, David (Nessa) Gressley, Michael (Cindy) Gressley, and Patricia Gressley, as well as her beloved grandchildren, Kevin (Kelly), Bryan (Jasmine), and Grace (Matt). She will also be lovingly remembered by her great-grandchildren, CJ and Rory.

Min was preceded in death by her husband, Gene, and her siblings, who forever hold a special place in her heart.

She found joy in exercising and taking pride in her yard, always making it a welcoming space. A long-time member of the Church of the Epiphany in Euclid, she valued her faith and community. Additionally, Min enjoyed being a member at the Willowick Senior Center, where she formed lasting friendships. As an avid reader and devoted fan of the Cleveland Browns, she loved to share stories and engage with others about her favorite team.

In honor of Min's wishes, her services will be private.

“ My condolences to the family. I've had the privilege of living across from Min for the last 3 years. She would occasionally and unprompted bring over extra produce for my wife and I. I know how much she loved her yard and her and keeping things nice. I saw her once shoveling a path from her side door to the street so the plow wouldn't get too close to her new landscape rock. I tried to make sure she didn't have to do that after that one time. She was definitely a bright spot in the neighborhood.

“ I'll always remember the love my Aunt Minnie had for our family.

When I was a little boy, she would always pinch my cheeks when we saw each other. At first, I was a little terrified but eventually I began to look forward to it.

When my dad was in poor health using his walker for the first time, she stopped by for a visit and lifted his spirits.

A few years ago Darlene brought her to watch my band play at a local brewery. She was so excited to watch me perform and I remembered feeling so honored that she would even be there.

I will think of her as I drink my coffee from a beautiful mug she gave me for Christmas one year.

You were very special, Aunt Minnie, and I will miss you.

*Love,
Bobby*

“ *Min will be missed by me and others of the Epiphany congregation. Min showed her indomitable spirit and, until the last couple of years, her gardening skills at Epiphany. We had to caution Min that at 90 she shouldn't be climbing a ladder to trim the trees in the church yard. Please be assured you are in our prayers at this troublesome time. May choirs of angels welcome Min to her heavenly home.*

We are a small but mighty group at Epiphany. We will miss seeing you Min; but know that you can lay your worries down and rest easy now. ☐
