“ *I just want to tell everyone that my brother Timmy Bodnar and Miriam were born just 4 days apart and her mother Paula and Uncle Dave were our parents best friends. Miriam would spend weeks in the summer with us and we had so many fun antics during the summer! I also would stay in Cleveland hyts at aunt Paula and Uncle Dave house! I am going to share a few of my special memories on Sunday. Love my sweet younger cousin, more like a sister to me. My baby brother and Miriam shared many crib and playpen naps together! We have pictures of them side by side. Love all my old memories! She was always a fearless little stinker!*

“ *I literally just saw her at the drive thru at McDonald's the other day I cried yesterday when I found out she always knew when I was upset*
