“ Her no nonsense ability to assist with fabric or Longarm quilting was so helpful! I was enamored with her strong sense of character. Truly a lovely and unique individual- I haven't been to shop since covid, but my last conversation with her prior is such a lovely memory. What a beautiful soul.

I was taking a class from her when covid hit. I was just thinking I was going to ask her when I could get her to do a private class to finish up the quilt. I waited too long and I am very sorry for that. I could always come into the shop and ask her advice or help me. It could be color choices, yardages, patterns. I will miss her. To the family, so very sorry for your loss.

“*Monique, you and I shared the title of mother-in-law to Hilly and Mike. We played Trivia Crack for years and more recently, met every other week to play Rummikub until the pandemic hit. We both take our games seriously, don't we?*

You know what has impressed me most about you is how generous you are with your time in making such great and thoughtful gifts over the years. This past Christmas, you completely outdid yourself by making a quilt of Klimt's "The kiss." It's just so rich in color and detail. You're the best!!!

You spoiled us with your traditional foods like my favorite- raclette on Christmas Eve and crepes on Hilly and my birthday. And now who's gonna make bearnaise sauce for Christmas dinner?? You see? Everybody's gonna miss you in their own way. But nobody will be as lost as sweet Hilly. Please make your presence known to her in some way so she doesn't feel abandoned or alone.

Rest In Peace my friend. Tell Don I said hi.

“ I remember Monique as being a quiet, strong, smart and caring woman who was always there to support her only daughter, Hilary, in all her endeavors. We spent some lovely birthday parties together. My favorite time was years ago at the Lovely Painesville house where we all celebrated Hilarys special Birthday, 30th I think. The terrace and grounds were beautiful there and Monique was a great Hostess. She always made things special for Hilary and her 2 grandchildren. Such a fun 4th of July!! There were numerous other occasions we were together. She was always pleasant, quiet yet elegant. They came to tea one Winter day during Christmas season and I enjoyed entertaining them at my home. Monique will really be missed by so many. May she find comfort reunited with her husband again. I will never forget her. God keep her safe and in peace.

“ I was taking some classes from Monique and we shared business stories. Her granddaughter was riding horses and had a horse blanket that needed repair and since she knew I was in the horse related business asked me to look at it. Consequently I repaired it for her, but we never exchanged money...just traded for Fat Quarters and had a good laugh. Beautiful lady. Everyone will miss her very much. Love and prayers to all of the family.

“ I am forever grateful for all that Monique has taught me over the years and for her friendship. She was a remarkable woman who was always there to help. I don't think she realized what an impact she made on countless others, but I am sure she does now. To Hilary, Michael, Tristan & Lola- my heart is so heavy for you. I know what a devastating loss this is, but please find comfort in knowing she was so special to so many & left an impact in this world. Sending so many prayers & hugs to all of you!!!

“ There are so many wonderful memories. Shall we begin with parties at West Vernon Street, week-ends at Snow White and the Seven Dwarf's Ski Lodge, to sailing trips on Cape Cod, to dinners in Canton, West Hartford, and of course, lobster dinners and Fourth of July Celebrations in Cotuit. A beautiful wedding at Willowbend was enjoyed by all. So many outstanding times with many laughs too numerous to mention. Visiting the farm in Wesport, NY, and Pizza with your Mom and your family In Ohio were also highlights. We'll remember them all and many more. It will be those memories and others that we will hold in our thoughts as we go forward. Rest In Peace Dear Monique.

“ I met Monique a few times when I was in the store or she was bringing an order to my car during the intense Covid mask-making period last year. She was kind, helpful, and had a beautiful smile. Warm condolences to Hilary and all Monique's family and friends.

“*Sadly I only met Monique a couple of times when her dear husband, who was my husband's cousin, was alive. We shared a love of fabric and quilts and I remember her sweetness and beauty fondly. May her memory bring comfort to her family and friends. With love, Johanna and Nick Loddo.*

“*I so enjoyed being a customer at Quilts and Sew Forth especially when Monique was there. She would always share some quilt pattern or a quilting tidbit to make me a better quilter. Monique was a gem and I shall miss talking and visiting with her at the shop. My condolences to her family.*
