“ I am greatly saddened to hear of Morris Becker's death. I knew him from the many video tapings of Mayor's Report we did together locally for several years. Interviewing Mayor Becker was always a pleasure. He was the consummate "gentleman politician," handling my questions with knowledge, grace and dignity. He loved Eastlake and all the citizens of Eastlake. I missed him when he retired from public office and I will miss him even more now. The City of Eastlake is better because of his life and his dedication to all that mattered to him. My thoughts and prayers are with his loving wife, Doris, as well as his devoted family.

“ I grew up in Eastlake and lived here from the time i was born till i was 16yrs old, and now im back again married by Mayor Becker 12 years this December. We are so sorry for your loss and he will be missed by many. Mayor becker told my husband and i some months ago that the people he marries stay together, we thought that was nice of him to say. God bless your family during this time, our deepest sympathy. The Renfro family.

“ Doris and Family,
I have no words to take away the pain of losing a loved one. My sympathy is with you and your family.
When my father passed away someone sent me this verse. It helped me in my time of greif, I hope it will bring some comfort to you too.
