

Nancy Margaret Anger

February 24, 1942 - May 19, 2020

Nancy Anger, 78, of Eastlake passed away on Tuesday, May 19, 2020 at LakeHospital in Willoughby with her family by her side.

She was a loving wife, mother, grandmother and great-grandmother. Nancy was an active participant in her life. While in high school, she was a member of many clubs and organizations and was a cheerleader and on the homecoming court. After her children were grown, Nancy went on to earn her nursing degree and spent her career caring for the sick and elderly at area nursing homes where she touched the lives of many of her patients and their families. In her spare time, she loved to travel and had made several trips to Europe including visiting Medjugorje with friends and family. She was an avid reader with history being her favorite subject. Nancy was pleased to be able to be part of the planning and participation in the class reunions held for Alma Mater, North High School, and for the opportunity to reconnect with cherished friends and classmates. Mostly, she loved spending time with her family and especially her grandchildren and great grandchildren who adored her.

Nancy is survived by her husband, Fred, daughters Tari (Bob) Hoose and Heidi (Tim) Delaney, son Tom, grandchildren Jessica Stern, Jeff Rau, Chelsea (Ian) Lewis, Kait Delaney, Cassie (fiancé Justin Abbatemarco), and Danny Hoose She also leaves behind her brother William Boback, nephew Shaun Boback and niece Amy (Jason) Chapman.

“ So sorry for Nancy's passing ..Wow what a life she had in High school and after graduating . Her life's journey took her to many accomplishments and part of my heart goes to her as well as all of class mates of 1960 who have passed on. Life's journey has many turns and she had a life full of challenges and loving family. I remember her from North High and am saddened by her passing. She lived a full life and we will all be together in the future

“ Fred,

Phil and I are so sad and we send our deepest sympathy to you and your children.

Nancy was a shining star at North. She was an outstanding student nurse at Lake West where I saw her almost daily when she was in training. What a wonderful accomplishment to engage as an adult in a career of caring for the sick and elderly.

Her star will still be shining in Heaven.

“ *It is with a heavy heart, that I heard of Nancy's passing. Even though I didn't get to see her much, she always greeted me like we just saw each other yesterday. She was a true blessing to our family when she married my brother, Fred. I still remember when I was about 13, she and Fred came and brought us all the coolest Christmas gifts. I also remember how she always made me laugh, when she would update me on her girls and Fred. Devoted to her family, a lifelong learner, a woman to be admired. I will miss her at the family gatherings, it won't be the same without her. My deepest condolences,*

“ *When death takes some they are made more in memory than they ever were in life.*

Not Nancy. She (and Fred) were 2 of the most fun loving and heartwarming people to grace this Earth.

She would never sidestep the opportunity to reach out and help anyone that needed it, even if they didn't ask for it.

A loss for all of us that knew her, respected her accomplishments and just plain liked to be around her.

My best wishes to Fred and her family.

“ Dear Fred and Family,

I'm deeply saddened to learn of your loss. Cannot look at her smile without a flood of wonderful memories of our youth, and then the numerous times planning or attending the Class of 1960 Reunions that kept us part of each other's lives. My sincere sympathy and prayers are with your beautiful family. Heaven has gained another Angel.
