“ My deepest sympathy and prayers for your

loss. I have personally known your parents since '75 when we moved to Willoughby Hills from Cleveland. Steve was my running buddy to Presque Isle Casino for many years. Nancy was a dear friend of Bill W. and Dr. Bob for 30 1/2 yrs. I loved her passion and brutal honesty for our program. Now they are together once again with the Lord. May they both R. I. P. until WE meet again!!! 🙏

Nancy was a fun person to be around. We met when her son and my daughter became engaged. She wanted to be part of all the arrangements for the wedding. When grandchildren came along we shared baby sitting when parents had to work. Nancy would do anything for you. She will be missed, so glad I knew her. RIP

Losing Nancy is such a huge loss to you as a family of course, but also to her A.A. family whom she dedicated three decades to, tirelessly sharing her courage, strength, & hope, with so many women for years holding "court" at the same seat, same table at lake county women's meeting on Shankland Blvd. And yes she was a "A no nonsense kind of sponsor but only because she knew this was & is a life & death disease, and that if she reached the new girl and kept her in the big book, the 12 steps, & God, they stood a very good chance of staying sober one day at a time! God Bless You my friend R.I.P. Hollie J.

“ God Bless you Nancy ! You saved my life 22 years ago with your warm welcome, smile, simple directions and the yellow highlighter that you whipped out of your purse and quickly highlighted all the meetings you went to on a meeting schedule booklet. Now you are with your beloved and those left behind are forever grateful to have known you . I love you and love is always bigger than death
