“ Aunt Nancy you were so loved and will be so missed. I will miss talking to you on the phone and hearing your laugh. I am so happy that God gave us the time in Florida when you came to visit. My partner, Brenda, loved you also. You were such a special person to us. You were such a loving person.

“ Some of my fondest childhood memories are from spending time at my aunt Nancy's home. Nancy had a way of lighting up a room; it was impossible not to smile when near her. She will be deeply missed. My sympathies to her sons Paul, David, Tim, and Ernie. She was so proud of all of you.

face and complained about nothing. Knowing her from the time we

“ I will miss my Great Aunt Nancy very much. She was a very caring and sweet lady, not to mention the coolest Great Aunt ever. She was more with the times than many people. I think she even joined Facebook before I did. I often think about how Aunt Nancy raised four boys and when I'm pulling my hair out over my two boys, I think what a saint Aunt Nancy was. I will think about my great aunt often and remember her each time I pull out the potholders she crocheted for me. She will be forever missed. I love you, Aunt Nancy.
