“ *Cousin Mimi wishes to express her sincere condolences to all the family. She has so many wonderful memories/stories. She relays a story that as a child being invited for dinner and how special she felt, you all had wine and that was Not something she was use to. We loved coming to the family picnic in August. I was always amazed as Mom, Nellie, Rose and Donnie would start up as if they had just talked yesterday.*

Mom (Mimi) is just out of the hospital (blood clots, etc. etc.) so, the Doctors don't recommend a 2hour drive. Please know our thoughts and prayers are with all of you.

With our Love

Cousin Mimi and Daughter Pat
