“ My condolences to all in her family. I was a pediatrics resident at CCF for 4 years, and Pam was my second Mom during that time. She was always there for me, supported me, and helped however she could. I feel very fortunate to have known her and worked with her. She will not be forgotten.

“ I worked with Pam for many years when she was an administrator for the Pediatrics Residency Program. She was a delight! She brought cheer and fun whenever she came into our department. I missed her when she retired and am saddened by her passing.

My sincere condolences to Pam's family and friends.
