“ Patty was my sister. Always there for anything I needed. She gave all of herself to all of us around her. She was the oldest of seven children and carried a lot of responsibility with that. We all looked to Patty for support and she was always there. A wonderful daughter, mother, sister, aunt to our children and friend to us all. Patty was truly the most selfless person I knew. It's hard to imagine life without her. I'll carry her in my heart forever ❤️

“ *Patty was my favorite sister in law.  
We were both born in 1957 and became good friends immediately.  
She loved Eddie Money and all the classic rock EZ crossing played.  
Her love for rocks, crafting and knitting was amazing.  
She will always in our hearts forever.
