NM

“ So sorry Tim for the loss of your mother. I have a special place in my heart for Aunt Pat and many nice memories. I remember how my mom enjoyed conversations with her over the phone. They would talk and laugh and laugh for hours. I knew they really loved and enjoyed each other. My favorite memory is the time I spent with her after my dad died. I was 12 yrs old when my father died and after his death, I was having anxiety and wasn't able to eat unless I took a pill first to relax my stomach. My mom mentioned it to Aunt Pat and she invited Joyce and me to stay at your house for a while. She tried to make it as fun and comfortable as she could for us. We stayed upstairs in your bunk beds. She made steak for dinner. She and your dad took us out on your family boat. She spent hours teaching me to sew a beautiful jumper. She came to our house to help us get our house ready for guests after the funeral and she took me shopping to a specialty shop and bought me a beautiful dress to wear to the funeral. I have memories of her being there for me at a time when I was the most in need and vulnerable. I will always remember and be grateful to her for that. Love you Aunt Pat. Happy to know you are at peace with the Lord.
