“ I have only pleasant memories of Paul. I met him in 9th grade at JFK Jr. High. For several years in high school Paul & I hung out many times listening to music and driving around in his Galaxy 500. After High School I lost touch with Paul but did run into him every so often around Eastlake and Mentor. Several years back I was able to make contact with him and he repaired my front steps on my home in Cleveland.  
I will miss Paul but always cherish his memory.

*God Bless his family*
