“ *My family moved next door to the Finkle family back in December 1975. Little did I know then that we would be life-long friends. Paula and Charley were the friendliest neighbors you could ever hope to have and always willing to help. Paula was a great mother and grandmother, and a proud great-grandmother. I am grateful for all the memories I have of her and her family and we will all miss her smile and happy demeanor. Becky and I send our sympathies to Charley, Ed, Bill, Tom, Dan, and the rest of her family.*

*Thank you to a great friend. Someone that is always there when you need someone to listen or talk to. Someone I consider a brother as much as a friend, and who also as a great wife to hang out with.*

“ The family of Joelle (Dan, Madeline, Carole, Mary Ellen) want to extend their heartfelt condolences to the Finkle family. We will miss Paulie's sunshine, If she couldn't share it in person, she sent thoughtful cards. Her loving kindness and forgiveness were always extended to family and friends. In this difficult time, she would want us to remember that behind every cloud the sun is still there. She would want us to know she is still with us.
