“ My prayers go out to the Hughes family, I had known Shane for only 4 short years, yet in those years he had helped me through a lot that happened in my life. He was an amazing friend, a rock that those in need could lean on and he always had a way to cheer you up and make you smile. I am blessed I was able to see him not to long ago and will forever treasure him, I miss him so much and I know I will get to see him again when it is my time. Till then I will always have a glass with your name on it sweetie. Love you always!!

“ I'm going to miss you so incredibly much! I can only remember how much fun we had talking way late into the night. I am so very sad that we never had the opportunity to see each other face to face, but I know one day I will get to see you again! You will be missed by so many, and you were loved by so many. Please save us a spot where ever we end up in the end! I love you and miss you already! Thank you for your short service to this country!

“ We don't understand why God allows bad things to happen to good people but He has planned everything in our life and what the results will be for others we meet along the way. All I can say is the short time I got to meet him he made my family and me better for having met him. I'm sure he did many great things in his short but fulfilling life.
