“ Pierre,

*This is mom whom God chose to bring you into this world, one of the 12 golden Children of Israel whom God blessed me with. Thank-you for being one of my wonderful sons, a great father, a good husband, but most of all a faithful son of God. I am standing in God's Kingdom between the Father, God Jehovah, and the Son, Jesus Christ to welcome you to your home coming to the Kingdom of God. Welcome home my wonderful son. Thank-you for all of your love and the years that you gave to the family and to this world. Thank God for every minute of the time that He allowed you to be with us.*

*Love Mom*

*All my love to all my children, grandchildren, great-grandchildren and their families*

*To Gladys Sarah Frances Boswell. My name is Larry from Akron. I met your precious baby boy back in 1976 when we went to West Junior High School together. I remember him being a very sober, mature and very Godly young man. It was somewhat strange how I discovered that he passed, as I was eating a piece of cake with sprinkles on it, and suddenly had a thought about him... so I googled his name, and made the discovery that I never expected to see. I am so very sorry that your Son is gone. I praise the Most High, that he has gone home to his Heavenly Kingdom! I actually thought Seth had a Brother by the Name Pierre who was in the same class room as us, but apparently, remembered wrong. Though it was 6 years ago, and I have not seen him since 1976, my soul is hurting deeply, because I just remember him being so special, and a wonderful young man of the Most High! Please, accept my sympathy and condolences! Barak Ahtha and the family!*

“ *Pierre, big brother , you will never be forgotten. You were a real man of God and my partner in prayer. I will always love and miss you big brother. God now has you in his band singing praises. Now you and Andre can celebrate your birthdays together. I know that you are truley and safely resting in the arms of Jesus.  
Cheryl I know that God will be there for you, Little Pierre, Christopher, Logan, and, Taylor. Pierre always would say how much he loved all of you. I decree that God Will give you peace and place you in the eye of this emotional storm. With all my love,*
