

Ralph Walk

November 30, 1943 - October 26, 2010

Ralph's courageous battle with cancer and pulmonary fibrosis ended peacefully Tuesday at Hospice House. He was an usher at St. Justin Martyr Church for 7 years, Holy Name for 6 years and Parish Council for 5 years. He belonged to the Thursday Night Bowling League at Palisades/Freeway Lanes in Mentor for the past 20 years. He loved hunting, fishing, sports, family vacations, Key West trips with the guys, white water rafting, and especially the white water trip with his brother, Steve, down the Colorado River. Ralph was always ready for a party/backyard picnic with family and friends. His favorite celebration was Christmas Eve spent with his family. He always said how fortunate he was to have such a special extended family of wonderful friends to spend good times and sad times over the span of 50 years. Ralph was especially happy for all the wonderful time spent with "The General", his granddaughter, Alyssa Vah, who he was very proud of and loved dearly. The walk family would like to express their gratitude for the wonderful care Ralph received from the U.H.S Ireland Cancer Center and The Hospice Of the Western Reserve.

Occupation: Ralph retired from Eastside Landscaping Co. He was the former owner/operator of Villa Landscaping for 20 years.
