“ *I can't believe it! The GREATEST Softball coach ever alongside his wife Sandy! If it weren't for you I wouldn't have the love I have for the game. You opened my life up to softball and that gave me a childhood full of the best memories anyone could ever ask for! RIP Randy and always know you hold a very special place in my heart! Love you and never will forget you!*

“ *Sandy & boys, I am hurting myself with this loss. You have one great husband & father. He was so great w/kids! When they won that championship & had that pool party. I'll never forget. He also asked me for my advise in finding the best place to buy parts & get service for his semi tractor. That made me feel appreciated & respected for my knowledge. I will not forget him. Love you Randy & Sandy*
