“ My best friend of 40 years. I still can not believe this has happened. I would drive from Parma Hts. to Willowick several times a week to spend time with him as we were growing up. He would do the same but in the opposite direction. We grew up going to Cedar Point, Geauga Lake and the Arcades. We went Go-Kart racing, Indians Games both in Cleveland and out of town. Speaking of Indians games, we went Boston in April of 96 to see the Indians play the RedSox at Fenway Park. After the game Sunday we headed back to Cleveland. I drove all night, as I worked nights at the time, and was used to being up all night. As Commander Stephens mentioned in the video, Ray started training in April of 96. You can probably guess where this is going.... We made it back less than one hour before he started training at the academy. Ray LOVEED to have fun. For those of you on Facebook, I will be starting a group shortly as time permits to share pictures and stories of our beloved Raymond. Just do a Facebook search for his name in the near future and you will find it. Hope to see you there. I just hope I live my life half as good as you do, so that someday, we will meet again up there. I love you Raymond.

Ray was an awesome guy, a true genuine friend. He send my children gifts such as hats, secret service pins, and other interesting items he came across as part of his job securing the airport. He will be highly missed.

Ray was one of the sweetest, and kindest person that you could meet. I am happy that I had the opportunity to meet him, when I worked at the airport. Ray would always give me a hug when he saw me. Ray was a blessing to this world and I thank God for his life. If there were more people on this earth like Ray, this would be a much better place to live. Ray you are going to be missed physically but the memories of you will last a lifetime. Thank you for who you are and all that you did while you were here on this earth. I am sure that God said to you well done my good and faithful servant. You have left a beautiful legacy behind. If someone were to ask me did I know you. I would smile and say

Ray was my friend! I will keep your family and Scott lifted up in prayer. Rest in Heaven my Dear Friend. Love Ya! 🙏🙏🙏🙏❤️❤️❤️❤️
