“ *Love knows no distance or time. You were there for so many special occasions in my life, my baptism and my wedding OK, so it was a Polish elopement where everyone who could went with us to Las Vegas! You always loved me and kept me in your thoughts and you in mine even tho' we were far away. You were my last real link to my Dad. He always looked up to his big brother who taught him the finer points of mechanics and fishing there might have been an argument over that, but I won't go there! You will be missed my Uncle, my godfather. XXOO Paula*

“ *Ray was a favorite cousin. During WWII when he was in the service, I was a pre-teenager and enjoyed writing to him because he always wrote back!*

I was happy to hear from Ohio family members that his family was very good to him during his failing health. God Bless you, and may he rest in peace.
