“ Rose,
I can't even imagine what you are going through right now, please know that I am always here for you.

I am so sorry I was not able to make the wake or the funeral. I just found out late last night and had to work today.

Please feel free to call me, 440-821-4614. I miss you and I want to be there for you like you have always been for me.

I'm off Sunday and Monday, I can come out there and see you and just be with you if you want.

I'm not really sure what else I can say to comfort you at this time.

I'm just sorry I wasn't there with you....I want to talk to you and help you as best I can.

*I love you,
God is with you

“ Dear Rose, Leigh Ann & Nabeel,

We were deeply grieved and shocked to learn of the sad and unexpected demise of Ray whom we have known as an amiable and loveable gentleman.

To the mother it was the loss of a son, whom she had fondly and single-handedly nurtured to youth and to the sister, whose growing up years were filled with memories shared with him as a companion. It is a devastating loss and nothing that we say can truly express our feelings.

Consider us to be with you in this hour of need in every way.

May his soul rest in peace and may God give you courage to bear the loss.

Yours in grief,

Naheed ,Naseem, Aliya, Juniad, Samia & Aadil

“ My sympathies to you Rose, Leigh Ann, & family. I was very shocked to hear about Ray. Strange that my sisters & I were talking about him on Sunday because we came across a picture from when we went to Cedar Point many years ago. May God Bless you all through this difficult time & bring you peace knowing that he is with Him.
