“ Rich had the greatest sense of humor and it was such a privilege to call him our friend, His annual clam bakes and all the silliness will always be wonderful memories. He was so proud of his new grandchild and glowed when he spoke of her. His family was his life and his friendship will be cherished forever. Rest In Peace our friend.

“ We have so many wonderful memories of our time spent with Rich and Barb. Rich loved to eat so many of our gatherings revolved around food. We loved cooking for the Betley's because they loved everything! Some of our favorite memories are of our annual clambake. Rich and Barb would do the cooking (and most of the work!) and we would be the hosts. It was always a great time.

We will miss you but we will keep you in our hearts forever. Eric and Sandy Larsen

“ *I remember Dick and Barb being there for his brothers when they were ill. I especially remember milk shakes with Jim. He was a very funny and kind man. Two great things to be remembered by.*
