“ We were next door neighbors to the Hepps from the time they moved to Chatworth Dr. until the summer of 1968 when we moved to Maryland. During my early teenage years Mr. Hepp was always there to play catch with in the evenings after he came home from work. He always had a smile on his face back then and every time we stopped by the house since then. Mr Hepp was a wonderful man that will be greatly missed by all who knew him! We share in your celebration of his long and cheerful life!
