“ Ricky's kind soul and giving spirit touched so many and will never be forgotten. We are thankful that my daughters Sharyl and Kelly got to grow up with Ricky, we all have many good memories of those days. Brother Rick, May God grant you and Marsha and your family and friends "His Peace" that surpasses all understanding. These are hard and sad times but they are never "goodbye" times they are "see you later" times. We all have many, many good memories of Ricky that will live on in all of us and that is one gift from God that death Cannot destroy. I will always remember when your dad had me make one of my t-shirts for you and you had to have a "little Zeke" on the sleeve !! RIP Rick and we will all see you on the "Other Side" We love you...
