“ *Dear Family,*
I am truly sorry for your loss. I only became acquainted with Rich within the last four years. He helped our unit tremendously in myriad ways to navigate our way in getting our unit organized and finally getting our first contract. I will genuinely miss him. Don GCDWR

“ *Dear John, Carol and Jacque;
Some people become instant friends. That became so when I first met Rich in the Legion Golf League when he was the league secretary and continued as I became a member of Post 678. I will always remember the great times and honest comraderie we had together playing golf and attending Legion functions. I have experienced the pain of a spouse passing but learned life really is not to long and we will all be together again in eternity. My prayer is that God gather angels around each of you and see you through your time of sorrow.
Please accept my sincerest condolences.*

“ Dear Mylant family,
I just wanted to say how sorry I was to learn of the passing of Rich. Times like these can be very difficult but may the love of family and friends comfort you at this time. I have also found the hope found at John 5:28,29 and Isaiah 33:24 to be of great solace to me and I hope it can help you also. Once again I am sorry for your loss.

“ *Jacque,*

I hope you know you and Rich were in our prayers and thoughts every day. I don't know what to say because when you lose someone you love it is difficult to say good-bye. Even though we know he will always be remembered, it still isn't the same to live each day. We all experience that feeling one day either now or later in life. I didn't know Rich that well to go up to him and carry a long conversation with him, but I was so happy for the both of you that you were getting married and the both of you were so happy. Rich always had a smile and a nice word to say. He had a lot of friends so he must have been a super nice guy. I am so sorry. I know you will miss him very much. It is nice that you have so many friends and family that will help you. Take care and let people help you get through these very difficult days ahead. Love, The Dickensons
