“ I came across this while looking for something else and was saddened to hear of this loss even if belatedly. My Dad, Joe Golic used to get rides sometimes from you on his way home from work at Euclid Division on St Clair. I went to school with your daughter LuAnn at Euclid High School and we worked at Holzheimer's Market on Lake Shore Blvd. during that time. She was a lovely and warm person then and no doubt still is. My Dad beat you to heaven and I hope you guys are having a great time.

“ Daddy-o,
I always looked up to you even when we knocked heads.
You let me do my own thing and tried to steer me right while letting me learn my own lessons. I see your spirit of kindness and compassion in my brothers and sister and in our children. You showed me strength even in your final hour. Our family will be strong too because of you.
You'll live forever in my eyes. I love you,
Till we meet again
