“ *Dear Pam and Family,
Words cannot express my gratitude and thanks to your Dad, who was my guardian angel as I started this journey into a new and wonderful way of life. Your Dad touched not only my life but my husband's, daughter's and son-in-law's. "But for the Grace of God" - how blessed we are to have been given such a wonderful gift. When I did not understand what your Dad was saying, he would say -"Just put it on the shelf and when you're ready, take it down." I now know what he meant. I'll never forget how he would get his point across. He once had a "pity" pizza party for another member and me. How he got us to laugh at our shortcomings. My prayers are with you Pam - he loved you so much. Thank you for sharing your precious Father with us. Love, Virginia*
