“ Rich it was our pleasure to call you our friend and to share our love of classic cars and car shows with you. We will always remember our trip to Florida when we showed up at the Cleveland airport and there you were along with your mother, daughter and granddaughter ready to board the same plane we were leaving on. We made plans and met up at some of the car shows down there. When we see a beautiful sunset we will always think of you. Our deepest sympathy to all your family. Until we meet again God Bless You.
