“ I know Marty from my mother Wilma Shaffer because they were best friends. She and Mom came out to Colorado to visit me awhile back and we had such a great time. I am thankful that we had that time together. We will all miss her upbeat personality and fun loving times. So sorry for your loss. Donna Cibula

“ I met Rita many years ago when we met at a party in 1962. Even then she was a happy and fun loving girl. We will all miss her. My thoughts are with Johnny and Rose, that I know, and the other family members that I never met. May God bless all of you in this time of loss.
