“ Bob was a good friend to the Loxterman family and we will dearly miss him. He joined us many times hunting at our cabin in Holmes County, and was a pleasure to be around. And he provided, along with his fellow officers, excellent police protection of our Convenient Food Mart in Eastlake. I first met Bob when I got a call that the store alarm had gone off and I drove there only to find Bob standing by the back door which an employee had left open. I started to walk in and Bob stopped me by grabbing my shirt with a warning to wait as his partner was checking inside. Shortly after, he whistled and his partner came running out on his four legs. My surprise ! But all who knew him know that he was excellent with dogs and knew how to train them. A great father a great husband, a great friend, that was Bob Eden. our love goes out to his family. May the Peace of our Lord comfort them.,,,,,,Richie Loxterman

“ Bob was such a nice man! I always liked him and he graciously gave me a lot of advice and help with my own unmanageable Shephard who then became the very best boy ever thanks to his expert insight. I will never forget that! To Dar and the rest of his beloved family, my sincerest condolences. God Bless. ❤️🙏
