“ I will miss you very much Bobby, you made some great music that really inspired me when you played with Grey Daze. I hope that you are jamming somewhere in the universe in your new body brother. Rock 'n Roll Forever!

“ I played in Grey Daze and Waterface with Bobby. If it wasn't for Bobby convincing Sean to let me audition, I never would have gotten that gig. As intimidating as he looked, tattoos and all, he was a teddy bear. We had many good times that I will always remember and cherish. He always brightened the room with his youthful cheer. He was a good soul and will be missed.

“ Dear Bob and Sandy:

We were so sorry to hear about Bobby. Know that he is at peace and our prayer for the two of you is to find peace also. We are sorry we will not be able to attend the services because of prior family commitments. Please know that you are in our thoughts and in our prayers. The first time I held him when he was baptized he looked like an angel. I know that he is now truly an angel and will be with you forever. God Bless.
