“ It has been one year now since Bob has passed. I wish I could say things are better. The children and I are managing, with the help of my family. We had hoped that Bob's family would be a part of our lives, but it seems that they find it easier to avoid us. We miss him every day, and talk about him with the people who knew and loved him as much as we do.

“ I would like to thank everyone for all the prayers and kind words. Nothing can ever take away the pain the children and I feel, We are so grateful for our family and friends. Bob was everything to us.. He made us so happy, and gave us so many wonderful memories that it is impossible to imagine life without him. Thank you again for thinking of us.

“ Everyone who knew my dad liked him. Everything valuable I learned, I learned from him. He was my hero and my role model, and I want to be just like him. I will remember the camping trips, vacations and all the times we went fishing. I will remember all the times we just talked. But what I will remember most is how much he loved us.
