“ I'll always remember how much fun Bob had at Debbie and Julian's wedding reception. I smile when I think of "Big Bob" as he was called probably because of his height, but his smile was equally as big as well as his Catholic faith. Thinking of his family who loved him dearly, and wishing you comfort and healing. Laura and I and the Levi Family send our love and condolences.

“ To all the Rebus girls, esp. Debbie. You may not be able to see your dad, but he is always with you. Once a father always a father does not end when they have passed over. My dad went on in 1995 and every now and again he lets me know he is watching and always will. Be happy that you had him all th 85 years and that you know he loved you dearly.
