“ *Dear Family, I was saddened to hear of Bobby\'s passing. I know it\'s been a long while since we\'ve seen each other but all of you hold a special place in my heart and that of my brothers and sisters. I remember the many fun and adventureous days spent on your family farm and they will remain some of my fondest memories. Those were the simple and uncomplicated times and now Bobby is enjoying them again. May God bless all of Bobby\'s family and give each of you His peace and comfort in your time of grief and sadness.*

*Love,*

*Bonnie*
