“ I only just found out that my best buddy from the 1990s is gone. I am saddened that we never kept in touch. Rest in peace, Robbie, you're reunited with Joe now. I'm sure you're making them laugh in heaven; God knows you made us laugh on earth!

“ I worked with Robbie for 2 years and all I remember are the tears I cried from laughing so hard I thought my sides would burst. She used to tell so many funny stories, I often told her I wanted to come to her house just to sit back and watch, because it sounded like it was fun & exciting, just to be in the presence of you all. I know how very special all of you were to her because she spoke of you everyday.

*I know there is nothing that can be said to ease your pain, but know this, you all are her legacy and you are what keeps her spirit of love alive. You are all in my prayers, and just remember, when it rains and thunders think of it as your Robbie making God laugh so hard he can't contain his tears from the joy and laughter she brings Him!*

*With God's Love,*

*Becky*

“ *God Saw You...*  
*by Adam Males*

*God saw you getting tired,  
When a cure was not to be.  
So He wrapped his arms around you,  
and whispered, "Come to me".  
You didn't deserve what you went through,  
So He gave you rest.  
God's garden must be beautiful,  
He only takes the best  
And when I saw you sleeping,  
So peaceful and free from pain  
I could not wish you back  
To suffer that again.*

*you will be missed*
