“ Dear Cook Family, I knew Roger for 23 yrs and worked with him for almost 20 of those at Lincoln Electric. His genius at making and building machines was incredible and knowledge of motor second to none. I had spent some time with him when he found that he had cancer and his spirit and attitude were awesome. It was with sincere sadness I was unable to attend his viewing and funeral while I was out of town.
many blessings and healings for each of you as Roger no longer suffers but is in the very presence of God.
Sincerely
Bob Herp ”

“ Roger was a truly unique individual. His sense of humour and joy for life was matched only by the dignity and strength he displayed when faced with life's difficulties.

We're honoured to have had the opportunity to meet him.

“ My deepest thoughts and prayers go out to Charlotte, Vicki, Dennis & the rest of the Cook family.

Roger was a great person. I am grateful I had the opportunity to meet him. He told you how it was and shot straight from the hip. He never minced his words, but that's what we all loved about him.

We will truly miss him and his mechanical prowess that he shared with so many of us.

It won't be the same in downtown Willoughby without Roger tearing through there on one of his bikes.

Rest In Peace Roger

“ My sincerest condolences go out to Cook family. It was only thru a chance internet meeting that I was fortunate enough to have had the chance to pass time with Roger, riding the bikes, sitting around the camp fire and enjoying life in general. His upbeat personality and the chrome from his bikes always brightened up the days for me. I will miss him.

All the best from my family Gwen, Mike, Lyndsay, Elizabeth and John.
