“ *It was so sad to hear this news. The Barbarino family was our neighbor when we were growing up on Evangeline in the Collinwood area. I remember Ron as always being the quiet one who spent most of his time inside, always studying. My thoughts and prayers are with the entire family during this very difficult time. May God grant all of you strength as you go through these next few days. RIP Ron and give Mrs. B a big hug for me. God has now reunited you with your mom, dad, and brothers.*
