I knew him from the days my father was in the courts, but my foundest memorie is when he held my hand when my ex husband went in front of Swain. I will truly bless myself knowing that I got to meet and get to know this wonderful man. Im sorry I can not make it to the service but he will be in my thoughts.*

“ *My deepest sympathy to Bernie and the rest of his family. Ron always talked so proudly of his family, he was very blessed.*

I have known him since 1994 and have such deep respect and admiration for him. He was always a good friend and someone I could count for sincere advice and to brighten my day.

We know that God has a special place for him there.
