“ *The Geauga County Department on Aging's Adult Day Services would like to express our deepest sympathies to Holly, Ron and family. Rose added a lot to our program and the senior center as a whole. She especially enjoyed trivia games and chair volleyball. She will be greatly missed by staff and clients alike.*

“ We at Geauga Assisted Living want to express our deepest condolences for the loss of Rose. She was loved at our facility and a important part of our little family. We are very happy that she was able to continue with being active and doing what she loved by visiting the senior center to the end. Although she was a little mixed up last couple years she always remembered the love she had for her children and grandchildren and the great and loving care her daughter Holly always showed her. We thank you for entrusting your loved one with us. with loving memories.... Tresa, Emily and the Geauga Assisted Living family.

“ Dear Holly, I am so sorry to hear of your loving mother's passing. She will be remembered by me as such a cool mom. I remember that big Pancake and glass of milk she would make you on Sunday's and how she was always smiling and laughing with us when we would rock on the chairs. Your mother was such a dear lady who lived a full life and was a wonderful wife, mother and grandmother. Hoping you find comfort knowing she is at peace and will always be watching over you and your family. She is now home with your father. Love always, to your and your family. ~Love Linda
