“ Dear Family,

*Please know I respected and loved Rosina with all my heart.*

*My family is shocked as I am. My son Rich said she was probably the best neighbor Sycamore had.*

*God be with you all and know everyone of you are in my prayers, thoughts and heart.*

*I have lost a a very good pal, friend, and old neighbor whom I shall never forget.*

*I regret I might not be able to attend services as I am going through chemo & just released from hopsital for a kidney stone. But please know we are there in spirit please.*

*John and Tommy, tell mom her friend Laurie loved her with all her heart & soul. She was loved by many.*

*My deepest sympathy to all,*

*Laurie*
