“ *The last time I saw Roger I hope you don't mind me calling him Roger was in 1958...so long ago. Roger didn't know but he was my hero. He had help lead the Big Creek Owls of War, W.Va. to what was probably their best football season. When I played football, I took his number 66 as my own. When I entered the U.S. Navy Submarine Service, I was told because of my name, I should have a Nickname; so I chose "Roger" I don,t think he would have mind. I still am known as Roger by all my friends and family. Anyway, Roger was my hero and there just isn't enough heroes today. May he rest in peace.*
